The format of the winter score card is the same as that of the summer Handicap Knockout. The card can be opened by clicking on the link from the Home Page of the website at <http://chdtl.co.uk/> and has been designed to allow you to enter the match information by tabbing through the form.

Begin by placing the cursor to the right of Fixture Date and then enter the date the fixture was played. Then use the tab button on your keyboard to move from cell to cell - the order is set to Home Team, Away Team, Home Team Names, Away Team Names. From there you will tab into the scores beginning with the Home Men versus the Away Men. **In these cells just enter one number and no hyphens.** The games scores will automatically add up as you type. Enter the set scores then finally, enter the Home and Away Captains. You can return to any cell by just clicking on it.

There are two ways to send the form. If you use **Microsoft Outlook** or **Outlook Express** click on the **Submit** button on the card and an e-mail page will open with the Score Card attached and the address set. Just add the subject (in the above example Civil Service B v Bradford B) and send. If you use **other e-mail software**, save the form on your PC, open a new e-mail, attach the form, add the address (chdtl@talktalk.net), add the subject and then send.
